MEd in Curriculum Studies

Practitioner Inquiry and Place-Conscious Pedagogies

A part-time graduate cohort program for working professionals and teachers in the West Kootenays.

This program will explore the connections between place-conscious learning, rurality, curriculum, school and community engagement, and practitioner inquiry.

Start Date: August 2022
Length: 2.5 years | part-time
Format: Blended
Online (Sept-Jun) with in-person summer courses
Location: Nelson, BC
Department: UBC Department of Curriculum & Pedagogy
Apply by: March 1, 2022
