MEd in Literacy

Connecting Research to Practice

The primary focus of this Master of Education program is to connect research to practice. Graduate students will have opportunities to read and engage with the latest research.

Each course in this program is designed with intentionality and will include opportunities for students to engage with the research, and also connect it back to their own practice and context in meaningful ways.

Start Date: September 2022
Length: 2.5 years | part-time
Format: 100% Online
Department: UBC Department of Language & Literacy Education

Apply by: March 15, 2022!
